Spring/Summer 2025

Projects Requiring Road Closures

There will be two projects in the Township which will require roads to be closed. West Cocalico Township and Clay Township are partnering together to replace the culvert on Hackman Road. The anticipated dates for Hackman Road to be closed between Pleasantview Road and Spook Lane are June 2, 2025 through July 23, 2025. The entire length of Pleasantview Road will be posted as closed as well. The posted detour will be Schoeneck Road to Indiantown Road to Durlach Road to Route 322. The second project is a PennDot project to replace and add an additional lane to the bridge on Peartown Road at Blue Lake Road. Peartown Road will be closed between Blue Lake Road and Sportsman Road beginning in August 2025 and will be closed for about a year. The detour for that road closure is Ridge Road to Route 897.
