

**PERMIT FEE SCHEDULE
EFFECTIVE NOVEMBER 15, 2022**

ZONING PERMIT FEES:

New construction and additions of four hundred (400) square feet or greater of living space: Twenty-five cents (\$0.25) per square foot. This schedule applies to all porches, patios, and decks, but does not apply to unfinished basements or attics. Exterior dimensions shall be utilized in determining square footage. New Ag buildings are calculated at Fifteen cents (0.15) per square foot. No permit fee for agricultural construction shall exceed \$3,000.00.

NOTE: The Zoning Officer will determine the proper fees based upon the above criteria and the plans provided with the permit application.

Demolitions, renovations and structures less than four hundred (400) square feet shall be calculated upon the cost of the improvements using the scale below:
